

Orientation Survey

Take a moment to answer each of the questions below, be as honest as possible
- your feedback is important!

What is the most important thing you learned during this orientation?

How can you apply what you learned to your life?

How are finances important to achieve your life aspirations?

What Meda programs are you interested in joining?

Mark with an "x" the program you initially came for. If there any other programs you are interested after this orientation, please circle them!
